DOWLING COLLEGE

Case No. 16-75545 (REG)

Debtor.

**GLOBAL NOTES REGARDING
DEBTOR'S MONTHLY OPERATING REPORT**

This Monthly Operating Report ("MOR") has been prepared solely for the purpose of complying with the monthly reporting requirements applicable in this chapter 11 case and is in a format acceptable to the United States Trustee. The financial information contained in the MOR is preliminary and unaudited, and as such may be subject to revision. The information in the MOR should not be viewed as indicative of future results.

The accompanying Preliminary Unaudited Financial Statements of Dowling College have been prepared in accordance with generally accepted accounting principles ("GAAP") in the United States of America using information from the Debtor's accounting sub ledger and general ledger systems.

While Debtor's management has made reasonable efforts to ensure that the MOR is accurate and complete, based upon information that was available to them at the time of preparation, subsequent information may result in material changes to the MOR. Moreover, because the MOR contains unaudited information, which is subject to further review and potential adjustment, there can be no assurance that this MOR is complete. The Debtor reserves all rights to amend the MOR from time to time, in all respects, as may be necessary or appropriate. These global notes regarding the Debtor's MOR ("Global Notes") comprise an integral part of the MOR and should be referred to and considered in connection with any review of the MOR.

Specific Notes.

Endowment Funds. Temporarily restricted net assets consist of various donor-restricted amounts for academic programs, scholarships, and revenue for future periods (i.e., contributions receivable and accumulated gains on endowment funds). Permanently restricted net assets represent endowment corpus, which provides investment income principally for scholarships. Dowling's endowment consists of approximately 55 individual funds established for a variety of purposes, including donor-restricted endowment funds.

Dowling's management and investment of donor-restricted endowment funds is subject to the provisions of New York Prudent Management of Institutional Funds Act (NYPMIFA). Pursuant to the investment policy approved by the board of trustees of Dowling, Dowling has interpreted NYPMIFA as allowing it to appropriate for expenditure or accumulate so much of a donor-restricted endowment fund, as Dowling deems prudent for the uses, benefits, purposes, and duration for which the endowment fund is established, subject to the intent of the donor as expressed in the gift instrument. As a result of this interpretation, Dowling records the remaining portion of the donor-restricted endowment fund that is not permanently restricted, as temporarily restricted until those amounts are appropriated for expenditure in a manner consistent with the standards of prudence prescribed by NYPMIFA.

Levied Bank Accounts. Prior to the Petition Date, the Debtor's funds on deposit at TD Bank, NA (approximately \$506,000) that were included in 4 separate bank accounts were removed from the accounts and placed in separate holding accounts by TD Bank, NA in accordance with its internal procedures and following receipt of certain Restraining Notices served pursuant to NY CPLR Section 5222(b) filed by certain prepetition judgment creditors. Included in these restrained funds may have been certain restricted funds. Consistent with the Final Cash Management Order referred to above, the Debtor is in the process of evaluating the restrictions on these funds. The Debtor has made written demand for turnover of these funds from TD Bank, NA. In February 2017, TD Bank reinstated three of the levied accounts to their pre-levied balances in the original bank accounts from where the funds were removed. For the fourth account, TD Bank remitted a check to the Debtor in the amount of the pre-levied balance. Upon receipt of these funds, the Debtor transferred these funds to four new DIP accounts maintained at Signature Bank in the same amounts and titles of the accounts that were maintained at TD Bank.

Sale of Residential Properties. Pursuant to Court Order, during December 2016, January 2017, April 2017, May 2017 and June 2017, the Debtor sold 14 residential properties located near the Oakdale, Long Island Campus. In accordance with the Court Order, the net proceeds (after closing costs and realtor commissions relating to these sales) were paid directly to the secured lender that held the lien on these properties. Following is a summary of the funds relating to these sales:

**Sale of Residences
Summary Closings to Date**

	Month Closed	# of sales	Total Sales Price	Net Buyer/(Seller) Credits	Broker Commission	Real Estate Tax Credit Seller	Rent Owed	Paid to Secured Lender
2016	December	5	1,594,500	25,919	63,060	-	10,931	1,516,452
2017	January	3	1,143,000	12,681	37,010	6,504	12,915	1,112,728
2017	April	1	610,000	5,058	24,400	-	-	580,542
2017	May	1	394,000	-	15,760	424	-	378,664
2017	June	4	1,330,500	(295)	53,220	13,106		1,290,682
Total		14	5,072,000	43,362	193,450	20,034	23,846	4,879,068

(1) Includes realtor commissions and other closing costs.

Since the proceeds and costs relating to the sales did not flow through the Debtor's bank accounts, the Debtor has included a column in schedule MOR-1 that reports the cash flow relating to these sales. The transactions that occurred in June 2017 has been included in the Debtor's June 2017 MOR.

Self-Insured Medical and Dental benefit plan. The Debtor maintained self-insured employee medical and dental benefit plans (the "Health Plans"). Under the provisions of the Health Plans, two third party administrators, CIGNA and Health Plex, provided claims processing and administrative functions, for the Medical and Dental coverage, respectively. Upon the closing of the Debtor's operations in June 2016, this Health Plan was terminated. The U.S. Department of Labor is in the process of evaluating the outstanding unpaid claims under these Health Plans. As of the Petition Date, the Debtor was unable to quantify the total amount of claims to be potentially asserted in relation to the termination of the Health Plans due to, among other reasons, the fact that many claims may be unqualified for coverage or disallowed under the Health Plan. In addition, the Debtor's, former third party administrators ("TPA's") of the Health Plans have stated that they will not agree to process the associated claims. Finally, the Debtor is presently unable to determine which parties actually hold the claims for monetary loss associated with the Health Plans termination, if any. Until further analysis can be performed, the Debtor has disclosed this issue herein, without quantification of the amounts due.

Oakdale Residential Houses - Tenant Receivables

As of June 30, 2017, the Debtor maintained 5 houses that were occupied by holdover tenants under what were most recently month to month lease arrangements. During the liquidation process, the Debtor has determined that it will need to vacate the holdover tenants occupying these houses in order to maximize the liquidation value of the same. As landlord, the Debtor commenced the process of vacating the holdover tenants in these properties. The these tenants are scheduled to vacate these premises during July and August 2017.

Student Receivables

The Debtor continues to evaluate the collectability of its receivables due from former students of the College. The Debtor's balance sheet may not reflect the ultimate realization experience of such receivable balances. The Debtor continues to explore ways to maximize value of these receivables.

Pending Litigation

The Debtor is subject to lawsuits and claims that arise out of its operations in the normal course of business. The Debtor is a defendant in various litigation matters, some of which involve claims for damages that are substantial in amount. The Debtor believes it has meritorious defenses to the claims made and intends to contest the claims vigorously.

Currently, the Debtor is unable to express an opinion as to the likely outcome of this litigation; therefore, as required by authoritative accounting guidance, no liabilities are reflected in the accompanying unaudited financial statements related to these claims. An unfavorable outcome could have a materially adverse effect on the Debtor's financial position and results of operations.

(1) Debtor is currently investigating if these funds are restricted.

(2) Bank accounts maintained for tenant security deposits.

(3) Pursuant to Court Order, proceeds from the sale of the Debtor's residenital real estate located in Oakdale, NY were paid directly to the secured lender that held the liens on these properties.

Since the funds were paid directly to the lender and third parties, no funds related to these transactions flowed through the Debtor's bank accounts.

(4) Bank account relates to Perkins Title IV loan proceeds, repayments, and other charges to students relating to federal loan funding. Student loan repayment activity is managed by a third party servicer that tracks repayments and funds deposited into the US Bank account.
